DETAILED PROGRAM

Daily program

- Teams have full access (all skis and waxes) to waxing facility except from 17-00 when racing wax is put on.
- Teams will use their own tools (irons, brushes, scrapers, structure tools, etc.)
- Testing on the racecourse is available (accredited people)
- Before 16:00 All skis must be removed from waxing room and stored elsewhere
- 16:30 Waxing for tomorrow is announced and wax will be available for teams in waxing room.
- Before 17:00 – 2 pairs per athlete are to be turned in to waxing room and marked.
- Waxing can be done (by team technicians) from 17:00 – 23:59 then the facility is locked.
- Included is cleaning, waxing and structure.
- Skis will be returned at stadium 1,5 hour before start and can not leave the Stadion.
- Racing skis will be marked with special stickers
- No waxing between prolog and final in sprint
